## EXPERIENCE

### **Gerber Group**— *Busser/Barback*

March 2015 - August 2016

My job was to maintain the service areas clean and customers satisfied with their stay as a busser and in order to perform efficiently, communication with the servers was important. As a barback organization was very important for working fast on busy nights aside from being organized communication was also key with the bartenders and customers.

### **The One Group**— *Porter/Busser*

March 2012 - June 2014

As a porter my job was just to maintain the venue clean and to communicate with security via radio any troubling situations. As a busser i worked directly under servers and my role was to set up tables and provide them with the best possible service
